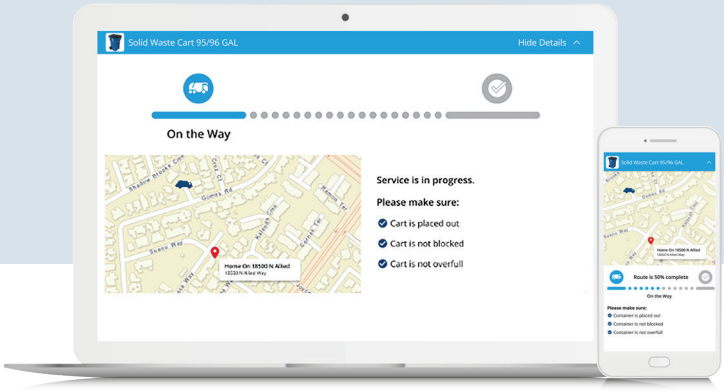
REPUBLIC SERVICES

Know When Your Truck Is on Its Way!

Republic Services' Track My Truck provides real-time service tracking, allowing residents to see when their service will occur, as well as the route progression of our drivers.



Residents should:

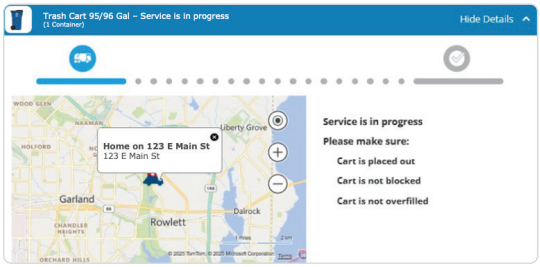
- Make sure your cart or dumpster is placed outside for pickup
- Feel confident that service is on the way
- Stay on top of weather alerts
- Enjoy greater convenience while reducing missed collections

Navigate to My Schedule on **RepublicServices.com** *to access Track My Truck.*

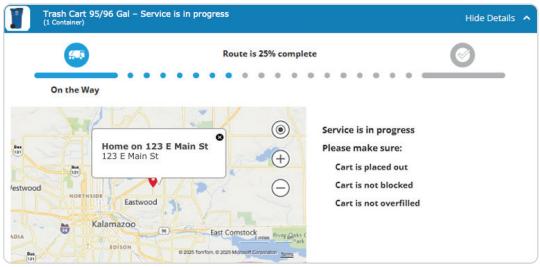
How To Use Track My Truck

1. Visit **RepublicServices.com/Schedule**.
2. Enter your address to see your service day.
3. On your service day, you'll see Track My Truck status for your scheduled services.

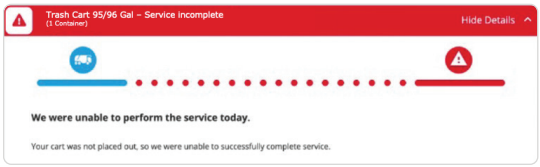
Route Started: Your truck has started its route, and service is proceeding as scheduled.



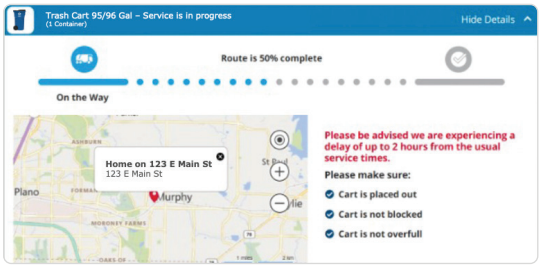
On the Way: View what percentage of the route is complete.



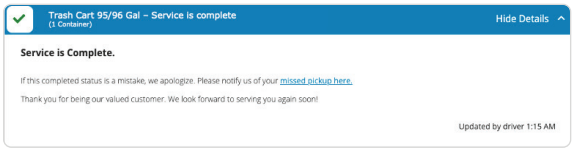
Service Incomplete: We were unable to service your cart. This could be due to a blocked cart or other issue.



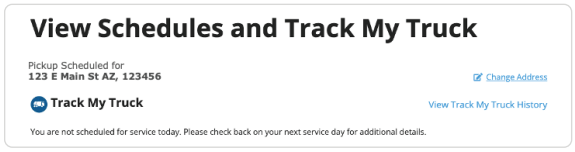
Service Delay: Your pickup is behind schedule. We are working to complete your service as soon as possible.



Service Complete: Your service has been successfully completed.



Non-Service Day: Your service is not scheduled for today.



Visit **RepublicServices.com** or call **800.968.4143** for more information.
