They were available to answer the board's as well as public questions concerning cost and how the Initiative would work. This information was obtained in order to help the board decide on if it wanted to place an additional and separate millage on the November ballot to fund if Stronach Township is to be part of MFRI. Wording for ballot language to be prepared by the township attorney. It is also felt that a letter should go out to the public explaining what all the 2 separate millages entail and why they are necessary. This is due to the County Clerk by Aug 11, 2026 for the November Election. MFRI will be holding a public meeting at the Senior Center on July 28, at 6:00 pm. Millage Resolution to be voted on at next board meeting on July 8, 2026.
